Per year: \$75.00 (print version)

The Canadian Journal of General Internal Medicine is published four times a year by The Dougmar Publishing Group, with offices located at 115 King Street West, Suite 220, Dundas, ON L9H 1V1.

We welcome editorial submissions but cannot assume responsibility for unsolicited material. Any editorial material, including photographs that are accepted from an unsolicited contributor, will become the property of The Dougmar Publishing Group.

The publisher and the Canadian Society of Internal Medicine shall not be liable for any of the views expressed by the authors published in the Canadian Journal of General Internal Medicine, nor shall these opinions necessarily reflect those of the publisher.

•••••

Every effort has been made to ensure that the information provided here is accurate and in accordance with standards accepted at the time of printing. However, readers are advised to check the most current product information provided by the manufacturer of each drug to verify the recommended dose, the method and duration of administration, and contraindications. It is the responsibility of the licensed prescriber to determine the dosages and best treatment for each patient. Neither the publisher the CSIM nor the editor assumes any liability for any injury and/or damage to persons or property arising from this publication.

About the Cover

Photo Courtesy Earl Minnis: April 29, 1984. Upbound at Walpole Island Ontario, the Arctic class 3 icebreaker CCGS Des Groseilliers works the lower St. Clair River. CCGS Des Groseilliers is a Pierre Radisson-class icebreaker in the Canadian Coast Guard. The vessel is named after Médard Chouart des Groseilliers a close associate of Pierre-Esprit Radisson in explorations west of the Great Lakes and the founding of the British Hudson's Bay Company. The ship entered service in 1982.
